

# 9.5 Estados financieros consolidados

## Antecedentes

Cambiar a NCG 461 - 12

Los estados financieros consolidados de la Corporación Universidad de Concepción al 31 de diciembre de 2024, han sido preparados de acuerdo con las Normas Internacionales de Información Financiera (NIIF) emitidas por el International Accounting Standards Board ("IASB").

Estos estados financieros fueron auditados por PwC Chile, quienes emitieron una opinión de auditoría respecto de la razonabilidad de los mismos con fecha 27 de marzo de 2025.

Los estados financieros consolidados al 31 de diciembre de 2024 no presentan cambios en estimaciones ni en las políticas contables respecto del 31 de diciembre de 2023.

Cabe destacar que, durante el primer semestre de 2024, se materializó la reestructuración de la subsidiaria Serpel S.A., permitiendo que ésta le transfiera a la Corporación parte importante de las propiedades de inversión que eran de su propiedad, compensando a su vez las cuentas por pagar que Serpel S.A. mantenía con la Corporación, las cuales se originaron fundamentalmente por la venta de parte importante de los terrenos que con esta operación retornaron a la matriz. La reestructuración mencionada se describe en Nota 2 letra c) de los estados financieros consolidados.

Los estados financieros consolidados de la Corporación se encuentran disponibles tanto en la web de la Corporación como en la CMF en las siguientes ubicaciones:
